

Call for Sponsors

SwissText is a two-day conference on automatic text analytics, which takes place in June 2019 in Winterthur. We invite practitioners, analysts, end users, software vendors, researchers and data scientists to join SwissText and share their expertise and experience with the audience.

SwissText will bring together practitioners and researchers, to give an overview of existing solutions and technologies, and to come up with ideas for new and innovative projects using automatic text understanding. Topics of interest include, but are not limited to:

- Evaluation of Social Media
- Semantic Analysis
- Chatbots
- Deep Learning for Text Analysis
- Machine Translation
- Text Generation

More Infos:
www.swisstext.org

Over the last years, we had a distinguished lineup of speakers from international IT giants such as Microsoft, IBM and Google, as well as Swiss companies (e.g. UBS), startups, and universities, and a growing number of participants with more than 180 in 2018!
